	<ul style="list-style-type: none"> <li>• 100% taken part in intra-school competitions.</li> <li>• 56% taken part in inter-school competitions.</li> <li>• 34% take part in out of school activities.</li> </ul>	<ul style="list-style-type: none"> <li>• 100% taken part in intra-school competitions.</li> <li>• 67% taken part in inter-school competitions.</li> <li>• 33% take part in out of school activities.</li> </ul>	<ul style="list-style-type: none"> <li>• 100% taken part in intra-school competitions.</li> <li>• 50% taken part in inter-school competitions.</li> <li>• 45% take part in out of school activities.</li> </ul>
<b>Year 5</b>	<ul style="list-style-type: none"> <li>• 100% of the year group take part in school clubs.</li> <li>• 100% taken part in intra-school competitions.</li> <li>• 43% taken part in inter-school competitions.</li> <li>• 43% take part in out of school activities.</li> </ul>	<ul style="list-style-type: none"> <li>• 100% of SEND children take part in school clubs.</li> <li>• 100% taken part in intra-school competitions.</li> <li>• 17% taken part in inter-school competitions.</li> <li>• 17% take part in out of school activities.</li> </ul>	<ul style="list-style-type: none"> <li>• 100% of PP children take part in school clubs.</li> <li>• 100% taken part in intra-school competitions.</li> <li>• 38% taken part in inter-school competitions.</li> <li>• 49% take part in out of school activities.</li> </ul>
<b>Year 6</b>	<ul style="list-style-type: none"> <li>• 100% of the year group take part in school clubs.</li> <li>• 100% taken part in intra-school competitions.</li> <li>• 71% taken part in inter-school competitions.</li> <li>• 33% take part in out of school activities.</li> </ul>	<ul style="list-style-type: none"> <li>• 100% of SEND children take part in school clubs.</li> <li>• 100% taken part in intra-school competitions.</li> <li>• 25% taken part in inter-school competitions.</li> <li>• 0% take part in out of school activities.</li> </ul>	<ul style="list-style-type: none"> <li>• 100% of PP children take part in school clubs.</li> <li>• 100% taken part in intra-school competitions.</li> <li>• 82% taken part in inter-school competitions.</li> <li>• 34% take part in out of school activities.</li> </ul>

## **Analysis**

**2016-17** (347 children on role including reception). Approximately 288 for the purpose of this data

### **Key findings**

- 76% of children across school from Year 1-Year 6, currently take part in extra-curricular school sport. This is an 8% increase from academic year 15-16.
- 55% of SEN take part in extra-curricular school sport. This is an 11% increase from academic year 15-16.
- 73% of PP take part in extra-curricular school sport. This is a 4% increase from academic year 15-16.
  
- We have maintained a 100% participation rate on intra-competitions over 2 years. Also 100% participation maintained for all year groups being able to participate in intra-competitions other than Sports Day.
- 43% increase for overall participation rates in Year 2 from their recorded rates in Year 1
- -21% decrease for overall participation rates in Year 3 from their recorded rates in Year 2. However, 23% is evident for those children accessing sport outside of school.
- 1% increase for overall participation rates in Year 4 from their recorded rates in Year 3
- 25% increase for overall participation rates in Year 5 from their recorded rates in Year 4
- Maintained 100% for overall participation rates in Year 6 from their recorded rates in Year 5 and also increased the percentage of children attending out of school sport by 2%.

### **Targets**

- Offer school timetabled clubs for KS1 to increase number on children involved in sports in lower year groups. Participation rates have however, improved in Years 1 and 2 since academic year 15-16.
- Continue to target least active children with specific sports and fitness clubs. Continue to widen variety of sports clubs we offer and look to improve taster days of sports for all children with the intention children take up these sport outside of school.
- All children to be placed into a sports house team and to compete termly to gain points for their house.
- Termly sports taster days for all children with a clear focus on sports not taught in the school P.E overview.
- Continue to offer termly cross-phase health afternoons to focus on physical and mental elements of the important of sport.

- Termly intra-inter competitions with a local primary school to ensure participation rates for both categories rise in all ages.

**2017-18** (344 children on role including reception). Approximately 295 for the purpose of this data

**Key findings**

- 79% of children across school from Year 1-Year 6, currently take part in extra-curricular school sport. This is a 3% increase from academic year 2016-17.
- 78% of SEN take part in extra-curricular school sport. This is a 23% increase from academic year 16-17.
- 78% of PP take part in extra-curricular school sport. This is a 5% increase from academic year 16-17.
- We have maintained a 100% participation rate on intra-competitions over 3 years. Also 100% participation maintained for all year groups being able to participate in intra-competitions other than Sports Day.
- For overall participation rates, we saw the highest percentage of Year 1 children in 5 years of 73%. (Data cannot be compared from previous academic year for this cohort as clubs aren't accessible to Reception).
- 31% increase for overall participation rates in Year 2 from their recorded rates in Year 1
- 30% increase for overall participation rates in Year 3 from their recorded rates in Year 2.
- 29% increase for overall participation rates in Year 4 from their recorded rates in Year 3.
- 1% increase for overall participation rates in Year 5 from their recorded rates in Year 4
- 3% increase for overall participation rates in Year 6 from their recorded rates in Year 5

**2018 – 19** (425 Children on role, including reception). Approximately 362 children for the purpose of this data.

**Key Findings**

- 100% of children across the whole school, from Year 1 to Year 6, currently take part in extra-curricular sporting activities – **21% increase from the 2017 – 2018 academic year.**
- 100% of SEND children across the whole school currently take part in extra-curricular sporting activities – **22% increase from the 2017 – 2018 academic year.**

- 100% of Pupil Premium children across the whole school currently take part in extra-curricular sporting activities – **22% increase** from the 2017 – 2018 academic year.
- We have sustained 100% participation across the whole school for participation in intra-school competitions (excluding Sports Day). This is now a **four-year positive trend**.
- We have seen the following changes in participation rates:
  - **27% increase** in participation rates in Year 2 from their recorded data in Year 1.
  - **26% increase** in participation rates in Year 3 from their recorded data in Year 2.
  - No change in participation rates in Year 4 from their recorded data in Year 3, as they were previously 100%.
  - No change in participation rates in Year 5 from their recorded data in Year 4, as they were previously 100%.
  - **10% increase** in participation rates in Year 6 from their recorded data in Year 5.

### **Priorities & Targets**

- For all year groups across school to participate and compete in inter-school competitions provided by the Local Authority.
- Continue to target least active children with specific sports and fitness clubs. Continue to widen variety of sports clubs we offer and look to improve taster days of sports for all children with the intention children take up these sport outside of school.
- Termly intra-school competitions to continue to ensure participation rates for all children.
